

# WAIEHU COMMUNITY CHURCH

## Elder Covenant

We, the elders of Waiehu Community Church, commit to:

1. Live lives worthy of the gospel of Jesus
2. Teach in line with the WCC Doctrinal Statement, and will let the elders know if convictions ever change
3. Exemplary participation in the Lord's Day gathering
4. Regularly teaching publicly
5. Regular elder meetings
6. Exemplary giving of finances to WCC
7. Pray consistently for the Body
8. Deal with sin and conflict in our personal lives and on the Council quickly and thoroughly
9. Mutually submit our desires and wants to the whole Council of Elders
10. Regularly and humbly enter into seasons of evaluation aimed at increasing our ability as a Council of Elders to lead and shepherd the church.
11. Step away from the office graciously and carefully if the occasion arises.
12. In the case that the church has only two elders, and a grievance is made against me, I would submit to the counsel of the other elder.
13. In the case the church has only one or two elders, and a grievance is made against the entire council of elders, I would submit to the counsel of other like-minded pastors.
